PAYMENT, FINANCING & FUNDING

For services at time of death:

Payment is due within 24 months of signing the contract. Payment may be made by cash, cheque, debit, e-transfer and most major credit cards. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. A finance fee for receivables set up to be paid monthly is $75.00. A finance fee will be applied again on the 25th month if any balance is still owing.

Financial assistance for burial and cremation services is available through various governmental agencies, to those who qualify.

Pre-payment in advance of need:

For services and supplies that are being arranged pre-need, you may pay for the services and supplies at today's price and we will place your money in a trust account/fund, where it will accrue interest until the prepaid contract is fulfilled (when the services and supplies are delivered). Pre-payment can be made by cash, cheque, e-transfer or credit. Funds are held in the purchaser's name.

Guarantee: When paid in full in accordance with the payment terms set out in the prepaid contract, the prepaid contract is guaranteed. The total payment(s) made plus interest / growth earned will be applied to the future price of the services and supplies. If the total payment(s) plus interest / growth earned are insufficient to cover the total future price of the prepaid services and supplies, we will absorb the difference as a loss. Any funds in excess of the total future price of the prepaid services and supplies will be returned or applied toward additional services, supplies and disbursements purchased at the time of need, as applicable. Conditions apply. Any changes to the prepaid contract may result in the prepaid contract being null and void and a new contract being executed with current pricing at the time changes are made.

Additional information about payment, financing and funding options is available upon request.
